

PARENT CONSENT FORM FOR VISUAL IMAGES

Small Steps (Ometz's OT and Speech Therapy Program) is required to obtain your express consent before using the photographs or video images which contain your child's image.

Small Steps is hereby requesting your permission to use picture(s) and video images, taken during the screening intake session, which takes place summer 2018. By signing this form you allow Small Steps to use the selected picture(s) and video images for the purpose of preparing appropriate group or individual activities, and for research purposes by McGill University School of Communication Sciences and Disorders and the School of Occupational Therapy and Physical Therapy. Your child's picture(s) will not be distributed nor placed in any pamphlets and/or newsletters, without your permission.

I give the McGill School of Communication Sciences and Disorders and the School of Physical and Occupational Therapy permission to use selected pictures of my child

Additionally, I give Ometz permission to use my child's picture to promote this program as a community service
