**ProMontreal Entrepreneurs announces its Fall 2019 winners**

Montreal, January 9, 2020 – ProMontreal Entrepreneurs (PME) is pleased to announce the funding of two new exceptional and timely start-ups via the PME fund. Through the PME Fund, aspiring entrepreneurs between the ages of 18 and 40 can access start-up capital of up to \$50,000.

- **HealthyBud** is a nutritional pet treat designed to give every pet the highest quality diet while also giving owners access to tips and services to ensure the healthiest lifestyle for their pet. Products do not contain allergenic ingredients, and are nut-, dairy-, soy-, wheat- and gluten-free.
- **Piecemeal** is a free online platform for restaurant management and food services. The platform reduces the amount of time restaurants spend on administrative tasks by using artificial intelligence and consolidating multiple tools into one location that are easy to use.

“Being surrounded by young Montreal talent who are able to see opportunity, use their creativity and work hard to make their dreams happen is incredibly rewarding,” said PME Program Manager, Katherine Korakakis. “These are incredibly innovative start-ups that will take the world by storm, I am certain of it.”

**ProMontreal Entrepreneurs is accepting applications for the Spring 2020 edition of the PME Fund. The submission deadline is March 16 at 4:00 p.m.**
